Corporate Governance Structure and Job Descriptions

The job description of the Belfast Trust Corporate Governance Manager

Please see attached.

The job description of the Belfast Trust Senior Manager, Corporate Governance

Please see attached.

Please note the attached Job Description is also used for other Service Managers within Risk & Governance. The current Service manager over Corporate Governance would have management responsibility primarily for the areas listed under the first bullet point under '*Job Summary / Main Purpose*'.

Please note since time of JD issue there have been some minor changes in job roles associated with the different Service manager posts within Risk & Governance.

The structure of the Belfast Trust Corporate Governance Team.

Please see attached.
