

17 June 2025

Managed Print Contract with Canon

A past freedom of information FOI 24094 - Suggested that the contracted services in place with Canon ran from 20/03/2020 - 19/03/2023 with options of extensions in place.

- 1) If the Trust made avail of the extension periods available which I believe to be a max of 2 years, can the Trust advise if the current end date is now 19/03/2025?**
- 2) If this is not the current end date of the contract please can the Trust advise when the current contract does end?**
- 3) If there are available extensions please can the Trust advise when these end?**
- 4) ALSO - If the current contract has ran past its expected time period including extensions can the Trust advise what was the reason for this?**

Information withheld on the basis of cybersecurity threat.

Also, please find attached public interest test to support exemptions on basis of cybersecurity.
