Mental Health Facilities

I am seeking the above information covering a time period of the previous 10 years, dating back to January 2015.

- 1. How many suicides have there been in mental health facilities within your trust area, where a window has been used as a ligature point?**

<5.

- 2. How many suicide attempts have there been in mental health facilities in your trust area, where a window has been used as a ligature point?**

<5.

- 3. If any, what type of window, including manufacturer and model, was used?**

Name of the manufacturer of the window is not held within records.

- 4. If any, what facility did the attempts occur?**

Shannon Clinic Regional Medium Secure Unit and Beechcroft Child and Adolescent inpatient unit.
