

29 October 2025

## **Communications between BHSCT and PHA relating to Cancer in Children**

**1. Please provide copies of all information or communications (including but not limited to emails, letters, reports, memos, meeting minutes, data summaries, or any other documents) sent by the Belfast Health and Social Care Trust to the Public Health Agency (PHA) in the period from 8 October 2024 to 8 October 2025, inclusive. This request specifically relates to:**

**2. Rates in children (defined as individuals under 18 years of age). Possible cancer clusters in children (e.g., elevated incidence rates in specific geographic areas, demographics, or time periods).**

**If any information is held in electronic format, I would prefer to receive it electronically (e.g., as PDF attachments). If the volume of information is large, please provide it in batches or summarize it where possible under Section 11 of the Act, but I request full disclosure unless exemptions apply.**

There has been no direct communication from PHA. We have spoken to PHA and are awaiting dates and times to do so.
