

BRIEFING NOTE

For Elected Representatives

DO YOU KNOW HOW TO CONTACT US?

Here's a quick reminder...

The Public Liaison Service is your first point
of contact at Belfast Trust

We are here to help and support you
with all your enquiries

Did you know, as well as the usual email address,
we also have a dedicated telephone number for
you to use too, so please give us a call.

...and remember, if you're submitting a
request on behalf of a constituent, we need
a signed consent form in order to progress.

This is the one to use...
