

Belfast Trust

People & Culture Week

CHIEF EXECUTIVE LAUNCH

Our Chief Executive Dr Cathy Jack launches the Belfast Trust's People and Culture Priorities, outlining her and the Executive Team's commitment to listening and learning from all staff. Scan the QR code to hear her talk about why these priorities are so important.

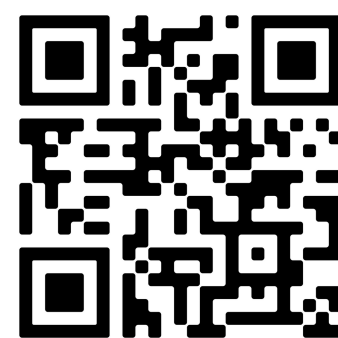

PEOPLE & CULTURE PRIORITIES EXPLAINED

Scan the QR code to the left to learn more about the four People and Culture Priorities. The video depicts how the priorities were established, outlining what you told us and as a result, what we commit to doing as an organisation.

BEING BELFAST FRAMEWORK

Scan the QR code to the right to access our new Being Belfast framework. An interactive toolkit for all our staff to find out and rediscover what it means to be a leader and manager in our organisation. Filled with training, webcasts, resources and guides!

LEARNING & DEVELOPMENT PORTFOLIO

We have launched the 2021/2022 Learning and Development Portfolio with a modern, digital and interactive approach to supporting you with your continuous professional development. The majority of training can be booked directly through this portfolio making it more accessible for all.

MANAGING WITH CARE PROGRAMME

Our NEW Managing with Care Programme has been designed directly from staff feedback. This management development programme will support you to manage people, manage resources and manage yourself in an effective way. It is crucial as managers that we look after our staff without forgetting to look after ourselves.
